Form I-600-A Application for Advance Processing of Orphan Petition

U.S. Department of Justice
Immigration and Naturalization Service

OMB No. 1115-0049
Application for Advance Processing
of Orphan Petition (8CFR 204.1(b)(3))

Advanced processing is a procedure for completing the part of an orphan petition relating to the petitioner before an orphan is located so that there will be no unnecessary delays in processing the petition after an orphan is located.
USE THIS FORM ONLY IF YOU WISH TO ADOPT AN ORPHAN WHO HAS NOT YET BEEN LOCATED AND IDENTIFIED OR YOU AND OR YOUR SPOUSE, IF MARRIED, ARE/IS GOING ABROAD TO ADOPT OR LOCATE A CHILD.
This application is not a petition to classify orphan as an immediate relative (Form I-600).

1. Eligibility

- a. Eligibility for advance processing application (Form I-600A). An application for advance processing may be filed by a married United States citizen and spouse. The spouse does not need to be a United States citizen. It may also be filed by an unmarried United States citizen at least twenty-four years of age provided that he/she will be at least twenty-five at the time of the adoption and of filing an orphan petition in behalf of a child.

- b. Eligibility for Orphan Petition (Form I-600). In addition to the requirements concerning the citizenship and age of the petitioner described in Instruction 1a, when a child is located and identified, the following eligibility requirements will apply:

- (1) *Child*. Under immigration law, an orphan is an alien child who has no parents because of the death or disappearance of, abandonment or desertion by, or separation or loss from both parents. An orphan is also a child who has only one parent who is not capable of taking care of the orphan and has, in writing, irrevocably released the orphan for emigration and adoption. A petition to classify an alien as an orphan may not be filed in behalf of a child in the United States unless that child is in parole status and has not been adopted in the United States. The petition must be filed before the child's sixteenth birthday.

- (2) *Adoption abroad*. If the orphan was adopted abroad, it must be established that both the married petitioner and spouse or the unmarried petitioner personally saw and observed the child prior to or during the adoption proceedings. The adoption decree must show that a married petitioner and spouse adopted the child jointly or that an unmarried petitioner was at least twenty-five years of age at the time of the adoption.

- (3) *Proxy adoption abroad*. If both the petitioner and spouse or the unmarried petitioner did not personally see and observe the child prior to or during the adoption proceedings abroad, the petitioner (and spouse, if married) must submit a statement indicating the petitioner's (and, if married, the spouse's) willingness and intent to readopt the child in the United States. If requested, the petitioner must submit a statement by an official of the state in which the child will reside that readoption is permissible in that state. In addition, evidence of compliance with the preadoption requirements, if any, of that state must be submitted.

- (4) *Preadoption requirements*. If the orphan has not been adopted abroad, the petitioner and spouse or the unmarried petitioner must establish that the child will be adopted in the United States by the petitioner and spouse jointly or by the unmarried petitioner and that the preadoption requirement, if any, of the state of the orphan's proposed residence have been met.

2. *Filing advance processing application*. An advance processing application must be submitted on Form I-600A with the certification of prospective petitioner executed and the required fee. If the prospective petitioner is married, the Form I-600A must also be signed by the prospective petitioner's spouse. The application must be accompanied by:

- a. Proof of United States citizenship of the prospective petitioner.

- (1) If the petitioner is a citizen by reason of birth in the United States, submit the petitioner's birth certificate, or if birth certificate is unobtainable, a copy of petitioner's baptismal certificate under seal of the church, showing place of birth, (baptism must have occurred within 2 months after birth), or if birth or baptismal certificate cannot be obtained, affidavits of two United States citizens who have personal knowledge of petitioner's birth in the United States.

- (2) If the petitioner was born outside the United States and became a citizen through the naturalization or citizenship of a parent or husband and has not been issued a certificate of citizenship in his/her own name, submit evidence of the citizenship and marriage of the parent or husband, as well as termination of any prior marriages. Also, if petitioner claims citizenship through a parent, submit petitioner's birth certificate and a separate statement showing the date, place, and means of all his/her arrivals and departures into and out of the United States.

- (3) If petitioner's naturalization occurred within 90 days immediately preceding the filing of this petition, or if it occurred prior to September 27, 1906, the naturalization certificate must accompany the petition.

An unexpired U.S. passport valid for five years may also be submitted.

- b. Proof of marriage of petitioner and spouse. The married petitioner should submit a certificate of the marriage and proof of termination of all prior marriages of himself/herself and spouse. In the case of an unmarried petitioner who was previously married, submit proof of termination of all prior marriages. NOTE: If any change occurs in the petitioner's marital status while the case is pending, the District Director should be notified immediately.

- c. A home study with a statement or attachment recommending or approving of the adoption or proposed adoption signed by an official of the responsible state agency in the state of the child's proposed residence or of an agency authorized by that state, or, in the case of a child adopted abroad, of an appropriate public or private adoption agency which is licensed in the United States. Both individuals and organizations may qualify as agencies. If the recommending agency is a licensed agency, the recommendation must set forth that it is licensed, the state in which it is licensed, its license number, if any, and the period of validity of its license. The research, including interviewing, however, and the preparation of the home study may be done by an individual or group in the United States or abroad satisfactory to the recommending agency. A responsible state agency or licensed agency can accept a home study made by an unlicensed or foreign agency and use that home study as a basis for a favorable recommendation. The home study must contain, but is not limited to, the following elements:

Form I-600A (Rev. 10/13/98)N

- (1) The financial ability of the adoptive or prospective parent or parents to read and educate the child.
 - (2) A detailed description of the living accommodations where the adoptive or prospective parent or parents currently reside.
 - (3) A detailed description of the living accommodations where the child will reside.
 - (4) A factual evaluation of the physical, mental, and moral capabilities of the adoptive or prospective parent or parents in relation to rearing and educating the child.
- d. Fingerprints.
Each member of the married prospective adoptive couple or the married prospective adoptive parent, and each additional adult member of the prospective adoptive parents' household must be fingerprinted in connection with this petition. *Petitioners residing in the United States.* After filing this petition, INS will notify each person in writing of the time and location where they must go to be fingerprinted. Failure to appear to be fingerprinted may result in denial of the petition. *Petitioners residing abroad.* Completed fingerprint cards (Forms FD-258) must be submitted with the petition. Do not bend, fold, or crease completed fingerprint cards. Fingerprint cards must be prepared by a United States consular office or a United States military installation.
3. **Documents in General.** All supporting documents must be originals or official copies of the original records issued by and bearing the seals of the official custodians of the records. If return of the originals is desired and if copies are by law permitted to be made, photostatic or typewritten copies may be submitted. A photostatic copy unaccompanied by the original may be accepted if the copy bears a certification by an immigration or consular office that the copy was compared with the original and found to be identical. Any document in a foreign language must be accompanied by a translation in English. The translator must certify that he/she is competent to translate and that the translation is accurate. **Do not make a photostat of a certificate of naturalization or citizenship.**
 4. **Submission of application.** A prospective petitioner residing in the United States should send the completed application to the office of this Service having jurisdiction over his/her place of residence. A prospective petitioner residing outside the United States should consult the nearest American consulate for the overseas or stateside office of this Service designated to act on the application.
 5. **Fee. Read instructions carefully.** A fee of four hundred five dollars (\$405) must be submitted for filing this petition. There is a twenty five dollar (\$25) per person fingerprinting fee in addition to the petition fee for each person residing in the United States and required to be fingerprinted. For example, if a petition is filed by a married couple residing in the United States with one additional adult member in their household, the total of fees that must be submitted is \$480. However, if a petition is filed by a married couple residing abroad, only the petition fee of \$405 must be submitted. One check or money order may be submitted for both the petition fee and the fingerprinting fees. **All fees must be submitted in the exact amount.** Payment by check or money order must be drawn on a bank or other institution located in the United States and be payable in United States currency. If petitioner resides in Guam, check or money order must be payable to the "Treasurer, Guam". If petitioner resides in the Virgin Islands, check or money order must be payable to the "Commissioner of Finance of the Virgin Islands". All other petitioners must make the check or money order payable to the "Immigration and Naturalization Service". When a check is drawn on the account of a person other than the petitioner, the name of the petitioner must be entered on the face of the check. If petition is submitted from outside the United States, remittance may be made by bank international money order or foreign draft drawn on a financial institution in the United States and payable to the Immigration and Naturalization Service in United States currency. Personal checks are accepted subject to collectibility. An uncollectible check in payment of a petition fee will render the petition and any document issued invalid. A charge of \$30.00 will be imposed if a check in payment of a fee is not honored by the bank on which it is drawn.
- When more than one petition is submitted by the same petitioner in behalf of orphans who are siblings, only one set of petition and fingerprinting fees will be required.**
6. **When Child/children located and/or identified.** A separate Form I-600, Petition to Classify Orphan as an Immediate Relative, must be filed for each child. A new fee is not required if only one Form I-600 is filed and it is filed within one year of completion of all advance processing in a case where there has been a favorable determination concerning the prospective petitioner's ability to care for a beneficiary orphan. Normally, Form I-600 should be submitted to the office of this Service where the advance processing application was filed. A prospective petitioner who is going abroad to adopt or locate a child in a country other than Austria, Germany, Greece, Italy, Korea, the Philippines, Hong Kong, Mexico, Singapore, Uruguay, or Thailand, however, should file Form I-600 at the American consulate or embassy having jurisdiction over the place where the child is residing or will be located unless the case is being retained at the stateside office. A prospective petitioner who is going abroad to adopt or locate a child in Austria, Germany, Greece, Italy, Korea, the Philippines, Hong Kong, Mexico, Singapore, Uruguay, or Thailand should file Form I-600 at the Service office having jurisdiction over the place where the child is residing or will be located unless the case is being retained at the stateside office. The case may be retained at the stateside office if the petitioner requests it and it appears that the case will be processed more quickly that way. Form I-600 must be accompanied by all the evidence required on the instruction sheet of that form except that the evidence required by and submitted with this form need not be furnished.
 7. **Assistance.** Assistance may be obtained from a recognized social agency or from any public or private agency. The following recognized social agencies, which have offices in many of the principal cities of the United States, have agreed to furnish assistance:
